In signing this form, the *nominating authority* will ensure that:

- Training will be completed for the remainder of employees within their business that undertake *pet washing activities*.

It is expected that:

- The person attending this training session will provide the training to other staff within the business who undertake *pet washing activities*; and
- Create a list of all staff (that have been trained by the attendee) will be maintained to provide evidence of compliance with the *Pet Washing Best Practice Guideline.*

For each individual within a business operating their own set of equipment (e.g. transport their own equipment to customer locations for their use), they will be required to:

- Obtain a supplementary registration from Commerce Queensland to demonstrate they have been trained by the business; and
- Will operate in accordance with the *Pet Washing Best Practice Guideline.*

Nominating Authority person means :

The person being the *Business Owner* or *Manager* within this registered business who has the appropriate authorisation for this attendee named below to undertake the Water Efficiency Certificate Course.
