### Membership Conditions

(Tick box) I agree to abide by the PIAA National Code of Practice and Code of Ethics. I acknowledge that membership is conditional upon ongoing compliance with these codes and any other codes PIAA might develop for categories of the pet industry.

The Pet Industry Association of Australia encourages you to use the Member Logo on your stationery, business cards, promotional material and website.

(Tick box) I agree to the following conditions of use of the PIAA Member Logo:

- The size and location of the logo must be in relation to the members own name, address and logo, so no confusion can arise to the literature being an official PIAA document.
- PIAA does not endorse products. The use of the logo on products is forbidden without prior written consent.
- PIAA will provide the logo. This can be reduced or enlarged providing dimensions are held in proportion. No distortion of the logo is permissible.
- PIAA will withdraw approval for the use of a logo should a member resign or become unfinancial. PIAA reserves the right to withdraw approval for use of the logo for any appropriate reason as decided by the Board of Directors.

(Tick box) I understand that if I ever cease to be a member of the PIAA, I will immediately remove from all advertising, documents and printed material, any and all references to the PIAA membership, accreditation and use of logo past or present.

I confirm that I **do not** sell companion animals.

As a PIAA member, I believe in transparency of business and remain open to random inspections by PIAA throughout my membership term.
